- 25X1X ☐ 1. In early January 1954, the Hindenburg Kaserne, Schwerin, was heavily occupied by about 2,500 to 3,000 troops wearing red-bordered black epaulets, mostly with artillery insignia. About 15 rocket launchers were seen in the barracks area. Source expressed the belief that the equipment included 5 to 10 more rocket launchers. Groups of 10 to 30 soldiers received training in firing with rifles, light machine guns, submachine guns and guns in the field. [REDACTED] 25X1
